

ELECTION 2020:

VOTER GUIDE

WHO & WHAT WE ARE SUPPORTING

U.S. PRESIDENT & VICE PRESIDENT: **JOE BIDEN & KAMALA HARRIS**

The Biden/Harris ticket is our only chance for a presidential administration that will protect our health care, reproductive rights, LGBTQ+ rights, and our environment. We need an administration that will protect the Affordable Care Act and take a public health approach to the Covid-19 pandemic.

U.S. SENATE: **JOHN HICKENLOOPER**

Hickenlooper supports high quality, affordable health care access for all, including comprehensive reproductive health care, and a robust family and medical leave program. He has committed to strengthening Affordable Care Act and growing the alternative energy industry.

U.S. HOUSE DISTRICT 6: **JASON CROW**

Crow is a strong supporter of the Affordable Care Act and knows we can settle for nothing less than universal health care coverage. He supports a path to citizenship for Dreamers, non-discrimination protections for LGBTQ folks, fair wages for women, paid family and medical leave, and reproductive freedom.

STATE SENATE DISTRICT 28: **JANET BUCKNER**

Janet Buckner has spoken out strongly against attempts to undermine the Affordable Care Act; she knows it's an important tool to help address pernicious and persistent racial inequality in the health care system. She has co-sponsored bills to improve the health care system (especially for women), to support teachers, students and the Colorado education system, and to demand equal pay for women.

STATE SENATE DISTRICT 29: **RHONDA FIELDS**

Rhonda Fields stood up to clearly say, "racism is a public health emergency" and her policies bear out her commitment to racial justice and health care access. She is an advocate for comprehensive and affordable health care for all, LGBTQ non-discrimination protections, equitable school funding, consumer rights, and common sense gun reform.

VOTE YES ON PROP 113: **TOSS THE ELECTORAL COLLEGE!**

Toss the Electoral College! The Electoral College is an outdated and undemocratic institution. This ballot measure allows us to get around it by joining the National Popular Vote Interstate Compact -- in other words, we'll award all our Electoral College votes to the winner of the national popular vote.

VOTE HELL NO ON PROP 115: **NO ABORTION BANS!**

Say no to abortion bans! Coloradans across party lines have rejected abortion bans 3 times in last 12 years alone. Every pregnancy is unique, and this ban has no exceptions for rape, risks to a pregnant women's health or a lethal fetal diagnosis. Personal medical decisions are best made by a woman and her family, in consultation with doctors — not politicians. A "NO" vote on this ballot measure means Colorado will remain a state that supports bodily autonomy and reproductive freedom.

VOTE YES, YES, YES ON PROP 118: **WE NEED PAID LEAVE!**

Economic security for the win! This ballot measure would create a paid family and medical leave program in Colorado. 80 percent of Coloradans would benefit from this plan, which would ensure that workers no longer have to make the cruel choice between paying their bills and taking care of themselves, a newborn, or a loved one in need.

STATE HOUSE DISTRICT 38: **DAVID ORTIZ**

Ortiz is a firm believer that health care is a human right. He will work for more funding for public education, gender equity, reproductive freedom and comprehensive immigration reform that prioritizes the health and dignity of migrants.

STATE HOUSE DISTRICT 43: **JENNIFER MITKOWSKI**

Jennifer Mitkowski is hoping to flip HD43 and we're here for it! Her main issues are health care and education: she'll improve transparency in health care costs by ending surprise billing and capping prescription drug prices, and increase funding for public schools and pay for teachers.

IMPORTANT VOTER INFORMATION

Vote Positive Colorado is a group of seasoned political activists from Grand Junction to Denver to Boulder and beyond who are working hard to influence the election in November! We throw down about progressive issues, especially quality health care, schools, LGBTQ+ rights and safety, and access to the full array of sexual health services, including comprehensive sex ed. We are deeply committed to the Movement for Black Lives, humane treatment for immigrant communities, and social justice.
